

## **Glass Candy Jar Installation**

I want you all to look at this beautiful bowl of glass candy. I want you to look at all the different colors and different shapes. They are all very different, but they all work well together. I would like for each one of you to pass this down and take out a piece. (wait for all to take a piece)

Each one of you now have a small piece of a whole. Throughout the year, you will work together to reach the goals you have set as a PTA board. Candy is sweet, refreshing and gives you a burst of energy when you need it. As a board you need to remember to be sweet to each other and everyone you meet because you represent the \_\_\_\_\_ PTA. Remember to smile and have a refreshing attitude so you can achieve all you expect to throughout the year. The most important thing about candy is the burst of energy it gives you. It takes a lot of energy to be involved on so many levels.

We have found in all the years of PTA, there are a select few that volunteer and you are one of that select few. You are special in that you care enough to give the most precious of gifts, your time and energy. Being a volunteer is one of the most demanding jobs, but it is also one of the most rewarding. I know you will have a wonderful here at \_\_\_\_\_. You have always been an involved PTA and the Council PTA is very proud of all you do.

Take this candy and put it somewhere that you can see it and remember all the wonderful things about you, and this PTA board. Remembering those things will help you all do the best job you can do this next year.

Will you please repeat after me:

I promise to uphold the PTA bylaws, work as a team not as an individual. I will perform the duties of my position to make sure \_\_\_\_\_ PTA reaches all its goals.

At this time I would like to have the bowl of glass candy passed around to the rest of the board and the outgoing board members. As the outgoing board, you have served and made sure the \_\_\_\_\_ PTA had a strong and dedicated board this last year.

Will you please repeat after me:

I will support this newly elected board and be available to give advice and support when asked.

At this time I would like to present the 20\_\_-20\_\_  
\_\_\_\_\_PTA executive board.

Congratulations!
